7. G.O.Ms. No. 67, HM&FW (E1) Dept, dt. 28-3-2011.
8. G.O.Ms. No. 227, HM&FW (E1) Dept, dt. 12-8-2011
9. From the Principal, Sibar Institute of Dental Sciences
Dated:13-8-2014 & 19-8-2014
10. Govt. Memo No.9199/C1/2014, Dated;28-8-2014
11. From the Director of Medical Education, A.P, Hyderabad
lr.No.34604/MN/ME/2014, Dated:25-9-2014.

O R D E R :

In the G.O.8th read above, orders were issued extending the clinical attachment for a further period of three (3) years with effect from 01-2-2012 to 31-1-2015 to Sibar Institute of Dental Sciences, Guntur with Government General Hospital, Guntur for utilization of the clinical facilities of Govt. General Hospital, Guntur for training of their BDS students as per the terms and conditions stipulated in the references 1st, 2nd, 4th & 5th read above and in relaxation of the condition of time stipulated in the reference 1st read above and the Institution shall pay an amount of Rs.25,000/- per annum per student for all payment seats only to the Govt. General Hospital, Guntur towards fee for utilization of clinical facilities for teaching of their students during the extended period of three years as per G.O. 5th read above.

2. In the letter 9th read above, the Principal, Sibar Institute of Dental Sciences has represented that SIBAR Institute of Dental Sciences which is located at Takkellapadu, Guntur has been imparting BDS and MDS courses. The college has well qualified faculty and the best of the infrastructural facilities and is tied up to Govt. General Hospital, Guntur for training of the students in the subjects of General Medicine and General Surgery from 01.02.2004. He has further submitted that Dental College was also attached to Guntur Medical College, Guntur for training of BDS students in the subjects of Anatomy, Physiology, Biochemistry, Pharmacology, Pathology and Microbiology in the year 2001 and the same continued upto 2007. Since the same was not renewed further, alternate arrangements have been made for training in these non-clinical subjects. The training imparted at Guntur Medical College & Govt. General Hospital for dental students is at par with medical students thereby maintaining good standards of clinical / practical training to the satisfaction of Dental Council of India and Dr.NTR University of health Sciences. On an average, over 100 students attend clinicals in Govt. General Hospital, Guntur in one academic year.

3. He has further submitted that for a Dental College to have all the paraphernalia like faculty, out-patient clinics, wards, operation theatres, clinical labs, instruments and infrastructure exclusively for General Medicine and General Surgery to cater to the requirements of students to have clinical or practical training is a difficult proposition and moreover, all the Dental College hospitals are only out-patient clinics.

4. The Principal, Sibar Institute of Dental Sciences has further stated that keeping the above aspect in mind, the Government of India / Dental Council of India by way of an amendment to the existing Regulations has brought out a new requirement that a Dental College shall have a tie-up with a Medical College, Government or Private for clinical training

(P.T.O)

of the students and that the Medical colleges shall be within a range of 10 kms from the Dental college. This kind of tie-up with a medical college will facilitate the students to have enriching exposure by associating with faculty members with relevant expertise and experience and also facilitate better patient contact.

5. He has further stated that all these years, the BDS students of Sibar Institute of Dental Sciences have been getting adequate clinical training in these subjects at Guntur Medical College/ Govt. General Hospital, Guntur to the satisfaction of the external examiners, Dr. NTRUHS and Dental Council of India. By allowing the students of Sibar Institute of Dental Sciences, Guntur, Guntur Medical College/ Govt. General Hospital, Guntur is not falling short of any academic training to its medical students in any way because of the dental students training programme. The BDS students will attend Guntur Medical College/ Govt. General Hospital for two days in a week, which is not difficult for the faculty of medicine and surgery and other non-clinical departments to spend with. Moreover substantial revenue of around Rs.30 lakhs is contributed by the Dental College to the Hospital Development Society of Guntur Medical College/ Govt. General Hospital every year.

6. Considering all these facts and since the present clinical attachment with Govt. General Hospital expires by January, 2015, the Principal, Sibar Institute of Dental Sciences, Guntur has requested to continue the clinical training of BDS students of SIBAR Institute of Dental Sciences with Guntur Medical College/ Govt. General Hospital for a further period of 5 years in the subjects of General Medicine and General surgery and other non-clinical subjects of Anatomy, Physiology, Biochemistry, Pharmacology, Pathology and Microbiology.

7. In Govt. memo 10th read above, the Director of Medical Education, AP has been requested to examine representations of Sister Care Education Society and Sibar Institute of Dental Sciences, Guntur with reference to relevant provisions of Dental Council of India and offer his remarks in the matter.

8. In another letter dated: 19-8-2014, the Principal, Sibar Institute of Dental Sciences, Guntur has submitted, among others, that Sibar Institute of Dental Sciences which is located at Takkellapadu, Guntur has been imparting BDS and MDS courses. It has all the nine specialties in the MDS and probably the only college in the State to have all the MDS Specialties and recognized by DCI and Ministry of Health, GoI. The college has well qualified faculty and the best of the infrastructural facilities and is tied up to Govt. General Hospital, Guntur for training of the students in the subjects of General Medicine and General Surgery from 01-2-2004. He has further stated that Dental College was also attached to Guntur Medical College, Guntur for training of BDS students in the subjects of Anatomy, Physiology, Biochemistry, Pharmacology, Pathology and Microbiology in the year 2001 and the same continued upto 2007. The clinical attachment expires by the January, 2015.

9. The Principal, Sibar Institute of Dental Sciences, Guntur has requested the Government to look all the facts and grant clinical affiliation to Sibar Institute of Dental Sciences, Guntur for a period of 5 more years, as denying permission would seriously impair the practical training and career of the students of the Sibar Institute of Dental Sciences.

10. In the letter 11th read above, the Director of Medical Education, A.P, Hyderabad has reported that M/s. Sibar Institute of Dental Sciences, Guntur vide their letter dated:13-8-2014 has requested to continue the clinical training of BDS students of SIBAR Institute of Dental Sciences with Guntur Medical College /Govt. General Hospital for a further period of 5 years in the subjects of General Medicine and General Surgery and other non-clinical subjects of Anatomy, Physiology, Biochemistry, Pharmacology, Pathology and Microbiology.

11. The Director of Medical Education, AP has further stated that the Government has extended the clinical attachment for a further period of (3) years with effect from 1-2-2012 to 31-1-2015 to Sibar Institute of Dental Sciences, Guntur with and Govt. General Hospital, Guntur for utilization of the clinical facilities of Govt. General Hospital, Guntur for training of their BDS students as per the terms and conditions, in relaxation of the conditions time stipulated in G.O.Ms.No.170, HM&FW (E1) Dept., dt.30-3-1999 and the Institute shall pay an amount of Rs.25,000/- per annum per student for all payment seats only to the Govt. General Hospital, Guntur towards fee for utilization of clinical facilities of their BDS students.

Contd....

12. The Director of Medical Education, AP has further stated that the clinical facilities of the BDS students of SIBAR Institute of Dental Sciences, Guntur with Govt. General Hospital, Guntur will be completed by 31-1-2015 and the Superintendent, Govt. General Hospital, Guntur has informed to the Sibar Institute of Dental Sciences, Guntur for continuation of the GO with effect from 1-2-2015 may be obtained from the Govt. vide this letter Rc.No.1081/G1/2014, dt.23-9-2014.

13. In view of the above, the Director of Medical Education, AP has requested the Government to issue necessary orders on the request made by the Sibar Institute of Dental Sciences, Guntur to continue the clinical facilities in the subjects of General Medicine, General Surgery and other non-clinical subjects i.e., Anatomy, Physiology, Biochemistry, pharmacology, Pathology and Microbiology of their BDS students at Guntur Medical College and Govt. General Hospital, Guntur for a further period of (5) years..

14. The Government, after careful examination of the matter, hereby accord permission to Sibar Institute of Dental Sciences, Guntur to continue to avail the clinical facilities in the subjects of General Medicine, General Surgery and other non-clinical subjects of Anatomy, Physiology, Biochemistry, Pharmacology, Pathology and Microbiology for their BDS students at Guntur Medical College and Govt. General Hospital, Guntur for a further period of five (5) years with effect from 01-02-2015, as per the terms and conditions stipulated in the references 1st, 2nd, 4th & 5th read above and in relaxation of the condition of time stipulated in the reference 1st read above and that the Institution shall pay an amount of Rs.25,000/- per annum per student for all payment seats only, to the Guntur Medical College /Govt. General Hospital, Guntur towards fee for utilization of clinical facilities for teaching/training of their students during the extended period of five(5) years as per G.O. 5th read above.

15. The Director of Medical Education, A.P., Hyderabad / the Principal, Government Medical College, Guntur / the Superintendent, Government General Hospital, Guntur shall take necessary action accordingly.
